Entry fee is \$80, no matter how many events you fly. We will determine the event schedule on Friday depending on the weather. Clouds or sunshine make a difference with conditions inside the dome. Lots of floor area, 400' X Cat III. No-Cal Mass launch at noon on Sunday. We plan on being flexible on the event schedule depending on what models show up. Student activities will be on Monday April 27th.

Some notes on the indoor contest in Arizona.

The towns of Eagar and Springerville are right next to each other. If not for the signs you would not know when you passed from one to the other.

The Dome is located in Eagar. The mailing address for the school is in Springerville.

Friday evening we will meet at the Trail Riders for dinner.

Saturday evening we will meet for dinner at the Trail Riders and after dinner we will have the second annual P.M.A.C. indoor seminar.

Brief presentations on subjects related to indoor modeling. If you wish to make a presentation please let me know in advance so I can plan.

Last year this was a lot of fun and we all learned a lot.

Sunday evening we meet at Averbys BBQ west of town.

"Approved by some of our Texans"

After the contest, (Monday morning) a few of us from the Phoenix Model Airplane Club and some of the guys from The Magnificent Mountain Men M.A.C. will be helping the school with an aviation project building Mountain Lions .

The science department and the district superintendent are very enthused as are we. This has been a lot of fun for us as well as the students.

We will be staying at the Best Western Sunrise Inn

128 N. Main St. Eagar Arizona
